

The Class of 1969 – Our 30th Reunion

**Thomas Jefferson High School
San Antonio, Texas**

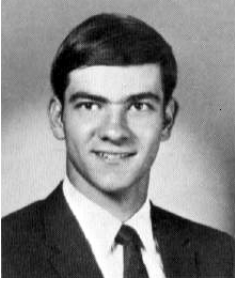

The alumni in this book represent those who returned registration forms, whether or not they planned to attend the reunion. We regret any errors or omissions in this book. We did what we could in the time we could find away from our other responsibilities.

In the interest of making it easier to locate 1969 alumni in the future, we have set up a new web site dedicated to Thomas Jefferson reunions worldwide. Of course, because the site is sponsored by our class at San Antonio's Thomas Jefferson High School, we have our "own section" of the site. If you move, get married, change names (for any reason), change/get an e-mail address, or locate an alumnus who has been out of touch, go to:

TJHS.COM

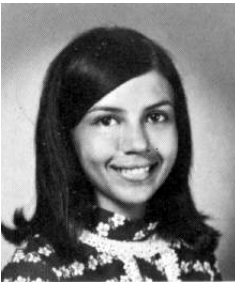

*And send the changes/additions,
so we can keep our database up to date.*
